## SORA AND THE CLOUD

Immedium. Hardcover. Book Condition: New. Hardcover. 36 pages. Dimensions: 10.6in. x 8.6in. x 0.4in. ForeWord magazine Book of the Year - Bronze Medal Winner - 2011 Childrens Picture Books: A delicate and enchanting bilingual story with exceptional watercolor scenes. It is tempting to label Miyazaki-like anything appealing to children and Japanese in origin. But in this instance the analogy fits. The nameless cloud is a benign yet mysterious and uncontrollable presence as it lifts Sora, Totoro style, into the sky. There he views a skyscraper mid-construction, an amusement park, a festival of kites and other boyish marvels. Hoshinos intricate and delicate drawings deliver this parade of sightseeing pleasures in a way that is at once dreamlike and visceral. New York Times Book Review A growing boy enjoys the ultimate daydream to soar like a cloud! Once a crawling baby, now Sora can climb a tree. There a friendly cloud awaits! Birds, kites, and fireworks whirl by as these friends share an adventure in the sky. This wonderful flight of fancy encourages childrens journeys of self-discovery, familial awareness, and cultural exchange, with colorfully expressive illustrations and bilingual Japanese translation. Prolific Japanese-American illustrator Felicia Hoshino makes her authorial debut in this delightful picture book. . . The bilingual text (Hoshinos English is accompanied by Hisas Japanese translation) displays a simple exuberance that perfectly matches the light, joyful subject matter. . . Hoshinos soft, Japanesque watercolors perfectly punctuate Soras adventure and include plenty of references to Hoshinos native city of San Francisco (the Golden Gate Bridge and cable cars, to name a couple). . . With its local appeal, cultural relevance, and textual and aesthetic grace, this is a welcome addition for Bay Area collections. - Bayviews, December 2011, The Association of Childrens Librarians of Northern California This warm picture book captures the physicality of imaginative play...
