Brand New Book ***** Print on Demand *****.Excerpt from An Essay on the Diseases of the Jaws, and Their Treatment: With Copious Notes and an Appendix, Containing Tables of Upwards of Three Hundred Cases The publication of the present Essay, has, for various reasons, been considerably delayed, and it is not without some anxiety that I at length venture to offer it to public notice. I am well aware of the difficulties with which the foreigner has to contend in any country, as a writer, more especially when his opinions may be supposed to aim at novelty or originality; and, notwithstanding the flattering notices which my Principles of Dental Surgery received from most of the guardians of the healing art - the medical and surgical journalists of this country - I am not the less diffident in my present attempt, as it is my most earnest wish to retain their good opinion, by making myself useful to humanity and the profession, as far as my feeble powers will permit. In publishing this Essay, I may be accused of a presumptuous attempt to treat of a subject which does not belong to my particular province; this, I trust, however, will be deemed erroneous, when it is considered that, although in their later and more complicated stages the maladies of the jaws require the united aid of general surgery and medicine, they strictly, in their earlier forms, belong to the practice of dentistry, and never would require the assistance of the former, if the latter were judiciously afforded at the proper period.
