

## Every Horse Owner's Cyclopedias (Classic Reprint) (Paperback)

By L C Bruce

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Every Horse Owner's Cyclopedias We believe it may be asserted, without fear of contradiction, that no book has yet been published, in the English or any other language, which even professes to give a complete description of the Natural History, Physiology, Pathology, and General Management of the Horse, in a form and style suited to the country gentleman of the nineteenth century. It is true, that some of these departments are adequately described in separate works; but they are generally written in technical language, suited rather to the Veterinary Student than for the use and comprehension of the ordinary reader. The writings of Percivall in England, and of Girard, Chauveau, and Colin in France, contain full and accurate details of the Anatomy and Physiology of this animal; while the Structure and Diseases of his Foot have been the subjects of various elaborate treatises by Bracy Clark, Spooner, Coleman, and Turner, in this country. But in order to reach the information which he requires, the reader has to wade through many long and wearisome chapters,...
