Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Christmas is a special time for kids of all ages and in Christmas with Patchy and Calico, the lovable dog and cat discover the true spirit of the holiday season. Through their many adventures, the two friends learn that giving, sharing, and caring are just as much fun as receiving presents. In one story, making a snowman should be a fairly simple job, but not for these two. Patchy decides to show off and accidentally becomes the world's first walking snowdog. Then when all the Christmas presents mysteriously disappear, Patchy and Calico become detectives. They track down the gift snatcher and come face to face with the bully who stole all the gifts from underneath their Christmas tree. In other adventures, the two friends find a wealth of chestnuts and are given lots of treats. What Patchy and Calico do with all the nuts and treats will teach children how simple gifts can make both the giver and receiver happy. Preschoolers up to elementary-aged children (and adults too) love the adventures and misadventures of the two title characters. The humorous stories, illustrations, and simple questions at the end of each story will entertain kids while teaching them valuable lessons on sharing, caring and giving while spreading Christmas cheer. Other books in this series include Patchwork Dog and Calico Cat and Patchy and Calico's Summer Vacation.
