When I was 5 years old, my father and I were eating at a local diner. After I ordered pancakes, the waitress asked me if I wanted a pickle with my pancake? Really?! A pickle with my pancake? That's when my father and I created the idea for a children's alphabet book titled Pancakes and Pickles. This alphabet book uses short stories about 2 very different foods that begin with each letter, using alliteration throughout and some pure fun. All of the illustrations in Pancakes and Pickles were created by 13 amazingly talented illustrations students from the Ringling College of Art and Design. All profits from the sale of the book will be donated to Miracle League of Manasota, a non-profit organization that provides the opportunity for disabled children and adults to play the game of baseball.

Reviews

This is basically the finest publication I actually have gone through till now. We have read and I also am confident that I am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
