Oxford University Press. Sheet music. Book Condition: new. BRAND NEW, The Ivy and the Holly: 14 Contemporary Carols, Unkown Author, The Ivy and the Holly is a superb collection of carols and motets for Advent, Christmas, and Epiphany by contemporary composers. Scored for mixed voices - a cappella and with organ - the anthology embraces a range of styles and sonorities. Here are plainchant lines, lilting melodies, and overlapping phrases; lively, energetic settings and soft, reflective ones; dancing rhythms and rich, sumptuous harmonies. Encompassing a variety of texts, with settings of medieval English verse and biblical passages alongside poems by celebrated writers, this collection will be welcomed by concert and church choirs alike.
