Study Smarter, Not Harder

By Kevin Paul

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Become the confident superlearner you've always wanted to be. At school or at work, we are constantly challenged by having to acquire new skills and ideas as those we've learned become obsolete. By mastering the seven basic elements of complete study skills presented in this book, you can tap into your hidden potential for maximum performance and increased learning power. Study Smarter, Not Harder debunks many of the myths associated with studying techniques. The practical exercises in this guide are immediately useful, making studying efficient and painless. This book will help you achieve your goals, whether you are aiming to pass the next exam, get into a postsecondary institution or a graduate program, or upgrade your job skills. Printed Pages: 232.
