Jack thought he had the perfect recipe for happiness; a serious career, a tall skinny blonde girlfriend, and a condo full of Ikea furniture. But an icy Minnesota freeway and a Peterbilt truck makes him rethink his life, and he sets out to change his boring existence and to live his life like a Jimmy Buffett song. Written as a tribute to Jimmy Buffett and the Parrot Head way, the story follows Jack Danielson as he goes off in search of rum, spices, and new experiences. Seasoned with a healthy peppering of Buffeteria, this light and breezy book is perfect for anyone who ever dreamed of just chucking it all to lie on a beach and drink margaritas for a living. Complete with a short guide to Key West, I m Gonna Live My Life Like a Jimmy Buffett Song is almost as fun as a tropical vacation; well, almost.
