Brand New Book ***** Print on Demand *****.28 Days of Poetry Celebrating Black History: Volume 2 is a profound collection of some of the most commemorative poetry you'll find on Black History. This author, for the second time, gives us 28 more poetic renditions celebrating the history of Africans in America. Volume 2 will give you a poetic glimpse into the lives of late, great figures in history like Sojourner Truth and George Washington Carver as well as a poetic recollection of the struggle of both slavery and the Jim Crow era in America. This is an empowering collection for students, teachers, and thespians. Readers will learn as well as enjoy the sounds of poetry, the beats resonating from each line of Faison's poems. This is Volume 2 of a series of Black History poems penned by Faison. It is a Black History lesson at best, something for readers and historians of all ages.
