

Lucky Johnny: The Footballer Who Survived the River Kwai Death Camps (Paperback)

Filesize: 4.6 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Adell Lubowitz)

Hodder Stoughton General Division, United Kingdom, 2015. Paperback. Book Condition: New. Reissue. 197 x 128 mm. Language: English . Brand New Book. In 1938 Johnny Sherwood was a young professional footballer on the brink of an England career, touring the world with the all-star British team the Islington Corinthians. By 1942 he was a soldier surrendering to the Japanese at the siege of Singapore. Taken prisoner he was sent to a POW camp deep in the heart of the Thai jungle, where he was starved, beaten, and forced to build the notorious railway of death on the River Kwai. Johnny kept his and his men's spirits up with tales of his footballing past, even organising matches until he and the other prisoners became too weak to play. One day, he even encountered a brutal Japanese guard, and was shocked to recognise him as a Japanese footballer Johnny had played against. Many years after Johnny's death, his grandson Michael discovered an old manuscript hidden in the attic of his mother's house. It was Johnny's own account of his wartime experiences - the story too horrific to reveal in full to his loved ones. In the tradition of bestselling memoirs like The Railway Man, Lucky Johnny is an inspirational tale of survival against the odds.
