THE PILGRIMS OF PLYMOUTH1 We meet here to-day because the calendar tells us that three hundred years have elapsed since a small band of English men and women landed at this spot and set themselves to work to conquer the wilderness and found a state. Three centuries are but an indistinguishable point in the vast tracts of time dimly marked by geologic periods in the history of our planet. They are a negligible space in the thousands of years which have passed since man first appeared on the earth. Even within the narrow limits of recorded history they fill but a trifling place if we are concerned only with chronology. We live, however, in a comparative world. Geologically and even racially three centuries are not worth computing, but to the men and nations who have been concerned in the making of what is called...
