Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Choosing Assistive Devices: A Guide for Users and Professionals, Helen Pain, D. Lindsay McLellan, Sally Gore, 'The guide focuses on equipment for seating, continence, personal care and assisted moving and handling, it argues for wider application of the recommended approach, which should also be supported by manufacturers and information providers. Based on real-life experiences and written in an accessible style with illustrations and flow-charts.' -The Assistive Technology (AT) Forum News Bulletin 'This text provides a useful guide and resource on assistive devices. It could act as a reference point for a wide range of health professionals working with people with disabilities. It would be an excellent book as a resource for users.' - Physiotherapy Journal 'This publication offers an in-depth perspective on choosing equipment for people with disabilities. Its value to therapists will be high and it should prove a useful guide on the shelf of any department involved in 'choosing assistive devices'.' - British Journal of Occupational Therapy 'I found this book to be a welcome addition to my resource file, and I would advise my students and newly-qualified therapists to work through each topic as a basis for any decision-making. The process explained in the guide can be used as a justification for purchasing items of equipment (which may be expensive or outside the usual remit) helping with budget planning and decision making. I enjoyed reading this practical guide, and have started using it in my practice.' -Therapy Weekly 'The examples used throughout the book are very easy to understand and realistic. Each chapter has a clear introduction and makes good use of the key point section at the end. The text is backed up throughout with key references from other books and websites. It also advises the reader...
