Pauline Books & Media, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Catholic author Danielle Bean's daily blog'found at www.DanielleBean.com'is a treasure trove of spiritual reflections, encouragement, and practical know-how for women searching for support in maintaining their identities as Catholic wives and mothers. Over time, her readers began asking for advice, and this need to hear another's story made perfect sense to Danielle: 'Women stand to gain much from sharing their experiences, trials, and failings. When we gather together and seek advice from one another, we all benefit. Some of the wisest, most valuable advice I have ever received has been from my mother, my sisters, and my friends during long phone calls or e-mail conversations in which we commiserate, vent our frustrations, and objectively assess each other's personal struggles.'So when readers of my Web site began to send me questions, I recognized that they were turning to me as they would turn to a trusted friend. I've endeavored to respect that trust by answering their questions with a spirit of solidarity.'Packed with common-sense suggestions, spiritual musings, and hilarious tales of Danielle's own gang of eight kids, Mom to Mom, Day to Day is sure to keep any mother reading, reflecting'and laughing!.
