Chayce and his robot partner Crickett remain entangled in the political scene and find adventure as they are hired to find a rogue assassin robot called Reaper 7 and become targets themselves, along with his brother, as they attempt to bring an end to the crisis engulfing the Helix Federation government. Chayce's story continues in the short story Cricket's Mission, where Chayce finds himself accused of the murder of a young woman he was bringing in, to collect the bounty posted on her head.
