

## Global Warming: Effects (Paperback)

By Erika Gasper- Gombatz

Classroom Complete Press, United States, 2007. Paperback. Book Condition: New. Teacher ed.. 267 x 208 mm. Language: English . Brand New Book. The effects of Global Warming on the environment and for human life are varied while some effects of recent climate change may already be occurring. Students will understand how Global Warming differs from natural climate change and how the evolutions of human societies have depended on a steady climate. We also look at rising sea levels, glacier retreat, and altered patterns of agriculture which are cited as direct consequences of Global Warming. As well, regional effects include extreme weather events, diminishing fresh water supply, human wildlife health, and economic impacts. Our resource is a real time-saver as all the reading passages and student activities are provided along with overhead transparencies, hands-on activities, Crossword, Word Search and a Final Quiz.
