Random House LCC US Jul 2015, 2015. Taschenbuch. Book Condition: Neu. 172x116x17 mm. Neuware - Myanmar, as Burma is now known, is strategically situated between the world's two most populous nations- China and India-and its distinctive ancient culture shares some traditions with both countries. Its most famous political detainee, Aung San Suu Kyi, the Nobel peace laureate, has been released after nearly twenty years of house arrest. The present administration faces teething problems in politics, governance, education, its dealings with over a hundred ethnic groups, and its society. Most are devout Buddhists, and there are pagodas and meditation centers all over the country. They are also great lovers of fun, entertainments, and festivals-in fact, there is a festival for each Myanmar calendar month Culture Smart! Myanmar provides much needed information about a country taking its first steps to becoming an important player on the world stage. It offers invaluable insights into the inner life of the Burmese, their history, traditions, attitudes, and work ethic, and gives practical advice on what to expect and how to behave in different circumstances. While their hosts may be naturally polite and accommodating, foreign visitors will have to go through a steep...
