It was the age of chain armour and tournaments-of iron barons and barons wars-of pilgrims and armed pilgrimages-of forests and forest outlaws-when Henry III. reigned as King of England, and the feudal system, though no longer rampant, was still full of life and energy; when Louis King of France, afterwards canonised as St. Louis, undertook one of the last and most celebrated of those expeditions known as the Crusades, and described as feudalism's great adventure, and popular glory. At the time when Henry was King of England and when Louis of France was about to embark for the East, with the object of rescuing the Holy Sepulchre from the Saracens, there stood on the very verge of Northumberland a strong baronial edifice, known as the Castle of Wark, occupying a circular eminence, visible from a great distance, and commanding such an extensive view to the north as seemed to ensure the garrison against any sudden inroad on the part of the restless and refractory Scots. On the north the foundations were washed by the waters of the...
